Connecting

Energies, Generations, Art Forms, Narratives, Stories, Communities, Places, Humans. Founded in June 2022, Liquid Bridge is an Art & Culture co-op that brings together experienced and creative energies around a common project. That of creating a bridge between generations, places, art forms, narratives and audiences.

Our Mission

Facilitate

Facilitate encounters between communities, disciplines, narratives...

Train

Train to build an autonomous, profitable cultural market.

Create

Create original, authentic events, works and links.

Share

Share artistic and cultural communities' stories from within.

Offer

Offer a platform and a safe space for expression

Document

Document the past and the present to form the archives of the future

Our Action Territories

Dance, Movement, Theater, Street Arts, Visual Arts, Emcing, Djing, Graffiti, Circus, Music, Literature, Beatbox, Street Sports, Poetry, Slam, Cinema, Photography, Digital Art... anything that tells the story of the city and the urban fabric from the inside out.

The choice of the cooperative model aims to serve a long-term objective:

To prepare the groundwork and strengthen it in order to structure the underground milieu and make it a self-sustaining and profitable economic model for its key stakeholders initially, and subsequently for the local and international community afterwards.

Since Its Official Launch In July 2022, Liquid Bridge In Figures:

20	200	2833	2
20 activities (workshops, festivals, parties, etc.)	200 participants on average at each of the 8 Liquid Nights	1 active and committed digital community of 2833 members.	2 video and music productions.
1	46	10000	156

The results in 1 year

A loyal, interactive community

A growing, attentive and demanding audience

Spontaneous financial commitment

Real demand and tangible opportunities for growth and diversification

Objectives and future prospects

To have our own cooperative space, to establish our activities on a more regular basis.

 \rightarrow

To be able to generate regular income through certain activities and work towards becoming self-sufficient within the next 3 years.

Find partners who share our values and are willing to invest over the long term to build a winning partnership.

To support us, you can:

Follow us on social networks

Attend our events to get to know us better

Collaborate with us on an event or action

Become a sponsor or patron with tailor-made packages
